

COMMUNITY POLICIES

Last revised August 14, 2023

- 1. Community Living Standards.** “Community” as used in these Policies refers to the Chapel Ridge apartment project and all grounds, and where applicable to the neighboring Chapel Hill community as well. All residents are expected to comply with established standards of community living, including maintaining adequate standards of personal hygiene and room cleanliness to avoid interference with the general comfort, safety, security, health or welfare of the community or a resident’s roommates. Any personal safety or welfare issues should be brought to the attention of management; any resident forcing or attempting to cause another resident to leave his/her own residential apartment may be subject to termination.
- 2. Dangerous or Disruptive Activities.** Activities that endanger residents and/or the community are strictly prohibited, including but not limited to being on roofs, climbing from windows and scaling or rappelling from outside walls or decks, improper use of security doors or interfering with the locking of any door, throwing objects from windows or decks, playing sports or participating in similar outdoor activities indoors, or any violent, threatening, belligerent or unlawful acts.
- 3. Security and Enforcement of Community Policies and Standards.** Chapel Ridge maintains onsite staff and security services available 24 hours per day, 7 days per week, to address and respond to resident concerns, issues of safety or security, or any violations of these Community Policies or applicable law, Residents who observe or wish to report such matters, or who are concerned for their safety or security, are encouraged to contact the management office or to call (919) 883-4622 at any time of the day or night. Calls outside normal business hours are routed to a service that will page employees and/or security personnel and direct them to respond.
- 4. Town Ordinances; Drug- and Crime-Free Policy.** Residents and guests must abide by all Town of Chapel Hill ordinances and other applicable laws at all times. As provided in the Housing Agreement, any drugs, drug paraphernalia or criminal activity, by a resident and/or guests, will be considered a material breach by the resident of the Housing Agreement and may subject the resident to immediate termination.
- 5. Maintenance.** Service calls will be performed during normal work hours as specified in the Housing Agreement, except in the case of a legitimate property emergency. All service calls must be reported to the management office by telephone, in person, by e-mail to office@chapelridgeliving.com or by submitting an online work order through the “Residents” link at <https://chapelridgeliving.com> (preferred). Maintenance technicians employed by management are not authorized to accept any individual requests without the request being submitted as a normal work order through management. Service calls will generally be performed on a first come, first served basis with priority given to those requests that may constitute a hazard or create significant discomfort for the resident(s). Residents are expected to report maintenance or facility concerns promptly and may be held responsible for damage or utility charges for failure to report issues within a residence.
- 6. Care of Premises.** Stickers, adhesive tape, nails, screws or hooks may not be used on floors, walls, woodwork or doors. Thumbtacks, pushpins and non-marking adhesive materials are permitted in moderation. All windows and exterior doors must remain closed when air conditioning is operating; this equipment does not function properly when windows are open.
- 7. Public Areas.** Sidewalks, parking areas, driveways, courtyards, porches, stairways and all other common areas may not be obstructed in any way by a resident or guest, including by garbage cans, supplies, shopping carts, bicycles or other belongings. Each resident (together with roommates as applicable) is responsible for cleaning and keeping the assigned residence and all furnishings in a clean, safe and sanitary condition. Trash should be disposed of promptly and properly. Dumpsters and a compactor are provided by management; however, furniture, chemicals, hazardous materials, batteries, computer monitors, televisions, computers, stereos or other electronic devices are not permitted in the dumpsters or compactor. - 23. Moving Damage.** Each resident is responsible for all damage caused on the premises, whether in connection with moving into or out of his/her residence or bedroom, and whether intentionally caused or not. This liability extends not only to the residences, but also to any damage done to any external or exterior portions of the community.
- 24. Inspections.** In order to ensure the health and safety of all residents and the preservation of the premises, management and maintenance staff inspects all bedrooms and residences approximately quarterly. If at any time management believes that there are urgent health, fire, safety, maintenance or security issues located in the resident's apartment, management and maintenance staff may enter with or without notice, as permitted by applicable law. If a scheduled inspection is to be performed, the residents will be notified approximately one day prior to the inspection by notice placed at the front door of the apartment or otherwise delivered to one or more residents.

- 28. Mold/Mildew Prevention.** Moisture from leaks, humidity, showers or other sources that is allowed to accumulate on interior surfaces can encourage natural mold or mildew growth. Properly using bathroom ventilation/exhaust, air conditioning and regular cleaning of surfaces are together the best way to control moisture accumulation and prevent microbial growth. Prolonged moisture can result from sources such as leaking rainwater, overflows from bathroom fixtures, leaks from washing machines, water heaters or HVAC drip lines, dryer discharge vents being blocked or disconnected, insufficient drying of wet items, plumbing leaks, incomplete caulking/grouting, animal urine, cooking or beverage spills, or steam from cooking. Residents are responsible for providing appropriate climate control, keeping the apartment clean and taking other reasonable measures to prevent mold/mildew accumulation. Any suspected leaks, persistent moisture or mold/mildew growth must be reported to management immediately.
- 29. Recreational Facilities; Amenities.** The community has provided recreation facilities, amenities and areas for the use of residents and guests. All guests, as well as children of residents or guests, must be accompanied at all times by the responsible resident when using any recreational facility or amenity. Appropriate attire is required at all times when using fitness rooms and basketball courts. The use of proper footwear is required at all times on or around these areas. No attendant or supervision is provided for any of the recreational facilities, including fitness and weight rooms.
